01

Product idea.

# Brightening up outdoor spaces.

- Perfectly coordinating with the lines of the seats
- Complete with special coating for outdoor use, giving restaurants and cafeterias a consistent design both inside and out
- Powder-coated components available in the seven corona light colours
- Round, square or rectangular tables with table tops made from steel panels
- Table top in an open strut design
- Elegant, geometric design combines an impression of lightness with high stability
- Additional standing table extends usage options
- Also available with a folding table top for space-saving
- Sturdy folding mechanism for easy use

# Served up beautifully.

The new outdoor table makes a chic statement about its connection to the corona steel range. The distinctive table top design featuring flat steel struts and a scratch-resistant powder coating, blends in perfectly with the rest of the corona outdoor collection to create an elegant, uniform appearance.
